

STREET WORK IS BEING OUTLINED

PUBLIC MEETING IS HELD BY ABOUT FIFTY OF PROPERTY OWNERS AT CITY HALL

VIEWS ARE STATED

PLANS WILL BE UNDER WAY SOON; ACTION DEFERRED IN SOME INSTANCES

The meeting at the city hall last night with City Manager T. W. Watson to consider the improvement needs of various streets in the city was attended by more than fifty property owners. The best of feeling prevailed throughout and some substantial improvements to various streets will result, it is thought.

The sentiment among Oak street residents was almost unanimous that the street should be improved its entire length from Central avenue to Kenilworth avenue, formerly Cherry street, with a light macadam such as Harvard, Ivy and Hawthorne streets have, but that new curbs and walks should not be put in.

Regarding Elk Avenue

As to Elk avenue the two blocks between Central and Pacific avenues, it was decided, should be paved under the same conditions, but the section between Pacific avenue and San Fernando Road having never been paved in any manner and there being no walks or curbing in it, it was agreed should not be touched at this time, as the expense would be too heavy if the work should be done properly.

So action was deferred on this portion of the street until further consideration could be given.

Action Is Deferred

Improvement of West Maple street between Central and Columbus avenues, and of Mariposa between Windsor Road and Avacia avenue, was deferred, also, as the property owners were considerably divided over the plans.

Residents and property owners living along Garfield avenue between Brand boulevard and Glendale avenue urged that steps be taken at once for paving, without waiting for a petition, as the improvement had been needed for ten years or more, and it was thought no one would object.

Repairing of Walks

The city manager advised property owners whose curbs and walks were in a dilapidated state to proceed at once to have them repaired, hiring the work done at best figures obtainable, and not wait for the city to force the work done.

In case they cannot get it done reasonably, he informed them, the city would do it at cost, the entire expense of same to be paid in advance.

TRIP TO NORTH

C. E. NEALE, OF LOCAL FIRM OF NEALE & GREGG, WILL ATTEND CONVENTION

C. E. Neale, of the local firm of Neale & Gregg, and E. J. Jackson, of the Burbank Hardware company, will leave here at 4 o'clock next Monday morning in the latter's automobile for San Francisco. They will go up by the inland route and return next Saturday down the coast route. They expect to reach the northern metropolises by 8 or 9 o'clock Monday night, but will take two days for the return trip.

The object of Messrs. Neale and Jackson going to San Francisco is to attend the convention of the retail hardware dealers of the state. The sessions will be held at the famous Palace hotel. Tuesday noon the delegates will be entertained at lunch by the Rotary club; Wednesday at noon they will be the guests of the San Francisco Advertising club, and that night they will be banqueted by the retail hardware dealers of the city; Thursday night the wholesale jobbers will entertain the convention members at a theatre party.

Mr. Neale has never been in San Francisco and it is safe to say that he will return with the impression that it is a live town.

Redondo Elks Will Build Home Addition

Architect Alfred F. Priest is preparing working drawings for a two-story brick addition to the Redondo Beach Elks' lodge building, to contain banquet room, showers, gymnasium, lodge and ante-rooms.

Evening News Soon To Celebrate Eighth Anniversary; Will Enter Ninth Year With Plans To Continue Its Efficient Service

The Evening News will next month celebrate its eighth anniversary under the present management. In eight years it has, like Glendale, steadily and successfully grown and will enter its ninth year with full vigor, unhampered, and with the realization that it is completely equipped, financially, mechanically and in the matter of organized departments, able to meet every demand made upon it and to faithfully serve Glendale, not part or any faction, but all of it.

Daily the publisher receives compliments upon the excellence of the paper, its policy of according fair treatment to everyone and the business-like manner in which conditions are met. Many citizens of Glendale have expressed their appreciation of the efficient service accorded them. A number of these have personally visited this office, inspected the big plant, marveled over the costly equipment and remarked on the large investment of capital which, of necessity, must be required to continue a modern, daily newspaper.

Visiting newspapermen, experienced in newspaper production requirements, have inspected the plant and commented on the effect that Glendale has, in The Evening News, a newspaper property that would be a credit to a city several times the size. They know the plant, housed in a building recently erected especially for it, is capable of serving all Glendale without being taxed to capacity; that it is equipped to meet increasing demands of the future. This is made possible by the management's policy to put all profits back into the plant; the profits are not used for other purposes. Thus the plant is kept modernized and in a position to meet emergencies.

So, as the paper approaches its anniversary, it is with great confidence that the publisher looks to the future, for recently various departments were further systematized, experienced men and women placed in charge of each, given added responsibilities and plans made to serve all Glendale with a daily newspaper that would be welcomed in a city twice the size. Efficient as the service of the news, advertising, subscription, job printing and mechanical departments are now, they will be strengthened.

The publisher is determined that the plant, as it enters its ninth year under the present management, shall continue to serve all Glendale efficiently, fairly and with business-like principles.

The steady but rapid growth of the paper's subscription list, without so-called contests, without paid solicitors or the offering of premiums, is a source of satisfaction to the publisher and conclusive evidence that the public appreciates a newspaper that has no one faction to serve. The unsolicited paid-in-advance subscription list is one of the paper's greatest assets; its big family of readers gives concrete evidence of faith in the policies of The Evening News. The increasing volume of business done in the job printing department shows that the people of Glendale know the plant can, without delay occasioned by lack of mechanical facilities or employees, handle anything from a card to the most intricate order. The increasing volume of business in the advertising columns of the paper shows that the merchants know the value of an exclusive advertising medium through which to appeal to the people; that they know trained copy writers are ready to prepare their announcements; that their advertisements are put in type by experienced workmen; that, finally, those advertisements are carried into the homes in a paper that is subscribed for because of its merit.

Recent organization of several departments of the plant and plans outlined by the publisher for the future, will continue to keep The Evening News in a class by itself, fully able to meet any emergency, untroubled by financial or mechanical worries, ready to give efficient service, cause no delays—and all done on business principles without appeal to factions or prejudice.

So, it is repeated, the paper approaches its anniversary in satisfaction of having fairly and competently served Glendale in the past and with the fullest confidence of increasing helpfulness and prosperity in the future. And to all who have aided in making this possible and to all who have so kindly expressed appreciation of the service rendered by this plant, the publisher takes this means of sincere acknowledgment.

BROADWAY SCHOOL DEDICATED BY PUBLIC WITH IMPRESSIVE PROGRAM

Fine Building Is Inspected by Many; Talks Are Made by Officials; Musical Numbers Given

People take it as a matter of course that a new church building should be dedicated to the service of God and humanity. Then should it not be made a practice to dedicate to the use of the boys and girls, the future hope of the country, a noble building erected for the sole purpose of serving their needs? The people of Broadway school district evidently think it should, and, acting on this belief, they set aside Friday, February 11, as the date for the momentous event. Though the building has been used for school purposes since last September, the auditorium has just been completed and thus could be used for the exercises. In the afternoon, from 2 to 4, visitors were welcomed and shown over the building and its many conveniences explained.

At 8 o'clock last night the program prepared for the occasion commenced. The large building was ablaze with light and its noble proportions were distinctly set forth. The guests entered the large front doors through the wide porch, which is supported by classic columns reaching to the roof, and beheld the brightly illuminated auditorium, with a seating capacity of 400, finished and arranged to accommodate any sized gathering that was likely to assemble. The stage was beautiful

decorated and the footlights were in red, white and blue.

School Principal Presides
Mrs. Mary Ogden Ryan, principal of the school, presided, and announced the numbers on the program. Mrs. Raymond Horner was the first speaker. As president of the Broadway Parent-Teacher association she welcomed all to the building and sought their co-operation in furthering the interests of the children.

Mrs. John Robert White, as president of the Federation of Parent-Teacher associations, brought greetings to the local P.-T. A. and promised the fullest measure of co-operation by the general association.

L. T. Rowley spoke for the school board, expressing his gratification that such a splendid building had been provided and contrasting its many conveniences with the meager accommodations of by-gone days. As he had been a resident of Glendale and vicinity since 1880, he could speak understandingly on this important subject.

Rev. W. E. Edmonds spoke for the patrons of the district, thanking the school board for providing so complete a building. He, too, spoke of other days when school accommodations were far different.

Richardson D. White, superintendent of city schools, was the next

NEW SHORT LINE

ROAD BETWEEN LOS ANGELES AND GLENDALE IS NOW OPEN FOR TRAFFIC

The new short line highway between Glendale and Los Angeles is now open for travel and already is being considerably used by motorists. The route is south on Brand boulevard to the city limits, then on south on Glendale boulevard across the Los Angeles river to Ivanhoe, then up through and over the hills past Silver Lake till Ivanhoe avenue that was reached.

Then the Pacific Electric Glendale line is paralleled to Third street and there the motorist turns east, goes through the tunnel and is on Hill street. From the Southern Pacific tracks at the south city limits of Glendale it is Glendale boulevard all the way to Second street and a more direct line between the centers of the two cities could hardly be laid out.

This new line is destined to be very popular with motorists both for its brevity and scenic beauty, but also because it does not pass through any congested districts. There is just one dangerous crossing and that is at the Southern Pacific tracks, where the two cities join.

This short line was projected several years ago before the war opened, in fact. The obstacle that held back the improvement so long was the bridging of the Los Angeles river. After many months of negotiations between the city of Glendale, the city of Los Angeles and the county supervisors the bridge was finally ordered built just about the time America entered the war. Then, of course, everything was held up until after the armistice.

W. A. George Plans To Return Home To Live

W. A. George of Hermosa Beach was a caller at the office of The Glendale Evening News this morning. Mr. George formerly lived in Glendale. He built a home on Lorraine street near Viola avenue, which he sold and then moved to Long Beach for the summer. Mr. and Mrs. George are now located at Hermosa Beach, but are coming back to Glendale to live in the near future.

W. W. Alexander Runs Palm Thorn In Ankle

W. W. Alexander of 117 West Acaia avenue is suffering from a very unusual wound. On Thursday while working around the yard, trimming trees and shrubs one ankle was pierced by a palm leaf thorn.

A doctor was called and he found it necessary to take Mr. Alexander to his office to extract the thorn. The patient is still bedfast and has to keep very quiet to avoid infection. It will be several days before he can walk again.

Mr. and Mrs. McElroy Are Hosts At Party

Mr. and Mrs. W. W. McElroy of 510 South Adams street entertained the young ladies from the First National bank and their escorts at a Valentine party at their home last night. The guests were Miss Alpha Theaker, Mrs. Meibergen, Miss Gladys Denslow, Miss Elsie Wilson, Miss Traver, Miss Ethel Preston, Miss Dorothy Wild, Mrs. Natalie Hall, Messrs. Joe Maxwell, Mervyn Mills, Frank Peague, Harry Francy and Harold McElroy.

Mr. and Mrs. Venske Having House Guests

Mr. and Mrs. H. Venske of 317 North Louise street have as their house guests Mr. and Mrs. H. A. Neuman and children, Dorothy, Marie and John, of Wasau, Wis., Mr. and Mrs. A. Schwab of Hortonville, Wis., and Mrs. Charles Hanson of Enterprise, Ore. Mrs. Neuman is Mrs. Venske's sister and will be here for the winter.

Buy Two Lots And Seven Room Residence

L. C. Yoeman of North Orange street is showing his faith in Glendale property, having just bought for an investment two lots and a seven-room house at 326 East Chestnut street. The sale was made by Day-enport & Strother, 217 South Brand boulevard.

JAPANESE CAUSING SERIOUS SITUATION

(Special Service to Glendale Evening News)

WASHINGTON, Feb. 12.—American opposition to the policing of Vladivostok by Japanese forces is creating a "serious situation" according to unofficial dispatches reaching here today from Japan. Since the killing of Lieutenant W. H. Langdon by a Japanese sentry at Vladivostok feeling between Japanese and other forces in the Siberian city is understood to have become increasingly tense.

Secretary Daniels today cabled Admiral Strauss, commanding the Asiatic fleet, for a report on dispatches from Tokio that five American sailors had been fired on in Vladivostok. One sailor is said to have been wounded.

SAN FRANCISCO FERRY STEAMERS COLLIDE

(Special Service to Glendale Evening News)

SAN FRANCISCO, Feb. 12.—Two ferry steamers crashed together, at least two other collisions were narrowly averted, and San Francisco bay shipping was all but demoralized by heavy fogs which hung over the bay during the early morning hours today. The Southern Pacific ferry boats Oakland and Piedmont, overcrowded with passengers owing to the fact that they were running on half schedule, collided in mid-bay.

Several women are reported to have fainted. There was a rush for life preservers, but shortly afterward there was order again. The boats proceeded under their own power.

RAILROAD MEN WILLING TO MEET ISSUE

(Special Service to Glendale Evening News)

CHICAGO, Feb. 12.—Modification of the national working agreement and reduction in wages will not be opposed by railroad unions if railroad owners can show that modification will not be unjust and unreasonable to employees, railroad union leaders declared here today.

"Railway workers seek no special privilege," said B. M. Jewell, president of the railroad shopmen's union. "They are entitled to a square deal and they should not be expected to accept less."

HAPPY SURPRISE

MISS DOROTHY SHERMAN HAS PLEASING PARTY BEHALF OR 19TH BIRTHDAY

Miss Dorothy Sherman of 316 Ethel street was given a happy surprise on Wednesday last, which happened to be her 19th anniversary. A birthday surprise was planned for her in the shape of a dinner at which her chum and college classmate, Miss Henrietta Sommers, was the special guest.

The two girls called it their second wedding anniversary, as they have been intimate friends for two years past. Carrying out this conceit a part of the decorations was a miniature bridal couple, tiny dolls, one in dress suit and the other in bridal costume, standing guard over a mammoth birthday cake decorated with red candles. The table decorations were suggestive of Valentine Day, being red carnations, hearts and streamers.

Miss Dorothy and her chum are attending U. C., southern branch.

PARTY IS GIVEN

MRS. F. J. ROGERS HOSTESS AT 147 S. CENTRAL IN BEHALF OF DAUGHTER

Mrs. F. J. Rogers of 147 South Central, who recently moved from Los Angeles, entertained yesterday with a birthday party for her 2-year-old daughter, Betty Jane. Valentine motifs were carried out in the table decorations and favors.

The present were Mrs. Frank George and daughter, Mary Elizabeth, Mrs. Jennie East, Mrs. I. N. East and grandson, Charles Carroll, Mrs. Harry Powers and son, Harry Powers, Jr., Billy Joe Coffey, Mrs. Vina Greenwell, Miss Mary Douglas, Mrs. E. K. Wood and son, Kenneth, Jr., of Laguna Beach.

ENJOYING VISIT

MRS. MINETTE G. SHERMAN IS ENTERTAINING HER SISTER OF LOGAN, IOWA

Mrs. Minette G. Sherman of 316 Ethel street is enjoying a visit from her sister, Mrs. Durant Cottrell, and children, of Logan, Iowa.

Mrs. Cottrell, whose husband and father-in-law are bankers with extensive interests in various Iowa cities, has been closely observing business conditions since she came and is amazed to find no evidences of business depression in this section, such as is keenly felt in the farming districts of Iowa, she says.

SHOW BY CLUB

MOVING PICTURES GIVEN TO RAISE FUNDS TO SECURE MACHINE FOR FILMS

A moving picture show and entertainment was given Thursday night in the Yeoman's hall on South San Fernando Road under the auspices of the Thursday Afternoon club, of which Mrs. E. V. Bacon is president, for the purpose of raising money to purchase a motion picture machine for use in the schools in the southern part of Glendale.

The entertainment for the evening was in charge of J. O'Neil Farrell and included talks by Mrs. Kemper Campbell, who told the objects of having the machine in the schools, dialect readings by Mrs. Eustace Moore and the motion pictures. The hall was crowded and over \$40 was cleared for this fund.

GOES ON TRIAL

ALLEGED ACCOMPLICE OF MAN WHO KILLED OFFICER IS NOW BEFORE JURY

Raphael Dalo, alleged accomplice of Domenico Gays in the murder of Robert Normand, city marshal of Burbank on the night of July 30, 1920, went on trial for his life yesterday. He was the first of the three suspects captured. The other man, Nick Turillo, is still at large. Gays has already been tried and is now serving his sentence.

Dalo is the youngest of the trio. He was formerly quite well known in Glendale as he lived at Elliott Place and was a member of the Seven Hills Rifle and Revolver club which W. E. Palmer organized in 1917.

HOLD SERVICES

FINAL TRIBUTE IS PAID TO DR. SWETMAN'S MEMORY AT FUNERAL TODAY

Funeral services of Dr. Swetman, whose remains were brought here by his widow, were held this morning at the Little Church of the Flowers.

Dr. and Mrs. Swetman were old friends of Mr. and Mrs. A. H. Doneken of 205 East Los Feliz Road, in Omaha, they moving to Phoenix about the same time the Donekens came to Glendale.

Mrs. Swetman intends making her home in this city.

GENERAL KUROPATKIN DEAD
WARSAW, Feb. 12.—A wireless dispatch from Moscow today reported that General Kuropatkin is dead. He was one of the chief military figures in both the Russo-Japanese and World wars.

MUSIC SECTION GIVES PROGRAM

MRS. A. M. DRAPER IS HOSTESS AT STUDENTS' DAY AND NUMBERS ARE HEARD

AFTERNOON SUCCESS

MRS. MATTISON B. JONES IS SPEAKER; MRS. BOSSERMAN IS NEXT HOSTESS

The program given by the music section of the Tuesday Afternoon club on Friday at the home of Mrs. A. M. Draper, 534 North Kenwood street, and designated "Students' Day," was presented by the pupils of Mrs. L. N. Hagood, Mrs. E. J. Cunningham, Mrs. A. H. Montgomery, Miss Gertrude Champlain, Mrs. C. A. Parker and Mr. Graume and follows:

Piano Solos—"Ballad" (Bergwell) and "Mr. Policeman" (Cadman), by Betty Harold.

Piano Solos—"Alabama Cabin" (Cadman) and "The Bad Boy" (Mokrys), by Wm. McRae, Jr.

Violin Solos—"Flower Song" (Gustave Lange) and "Traumerie" (Schumann), by Lucille Allen, Winifred Parker accompanist.

Readings—"The Pup" (Edgar Guest) and "Little Boy Blue" (Eugene Field), by Dorothy Van Dyke.

Piano Solos—"Musette" (Bach), "Weeping Willow" (Spencer) and "Impish Frolic" (Leon), by Rebecca Brant.

Vocal Solos—"Spring Waking" (Woodman) and "Mignonette" (D'Hardelot), by Mrs. G. D. Roach.

Piano Solo—"Argonnesse" (Masse-net), by Roma Staub.

Mrs. Mattison Jones Speaks

The program was greatly enjoyed and enthusiastically received, and commendation is due the teachers for their excellent training.

Mrs. Mattison B. Jones, first vice-president of the California Federation of Music Clubs, spoke of the juvenile and junior auxiliary clubs to be formed with the idea of teaching the child the value of music from its infancy, and told of contests which will aid in bringing forth the best talents in young musicians and placing them before the public. The slogan is to be "Make America the Music Center of the World."

A short business session, at which the curator, Mrs. Charles Marlence, presided, preceded the program.

The music section was extended an invitation to be the guests of Mrs. E. W. Kinney and Mrs. Walter Stamps, who will preside at a table for the Colonial tea which is to be given by the club at the Masonic Temple next Thursday for members only.

The hostesses of the afternoon were Mrs. Alexander Mitchell and Mrs. A. M. Draper. Refreshments were served and enjoyed by fifty members and guests.

The next section program will be given by Mrs. LeRoy Bosserman at her home, 614 South Central avenue.

PLANS RESIDENCE

J. F. MERCER TAKES PERMIT TO ERECT HOME ON HIS WEST DRYDEN LOT

J. F. Mercer of Butte, Montana, who recently bought two lots on West Dryden and had a garage built on one of them, at 404, has just had a permit taken out for a 4-room residence to be built on the front of the lot. He is back at his work as an engineer on the Northern Pacific, where he has three years more to work before retiring on a pension, when he expects to come to Glendale, where he and his wife will settle down in the new home, which will be rented meanwhile.

MAPLE PAVING

PETER L. FERRY WILL HAVE WORK COMPLETED IN TWO WEEKS, HE STATES

Peter L. Ferry, road paving contractor, says that he will complete the paving of Maple street from Glendale avenue to Sycamore Canyon boulevard in about two weeks.

That part of the street from the prolongation of Belmont east to Sycamore Canyon boulevard is new, there being only the original dirt surface and no curbs.

When the last-named street is finally paved it will be a convenient out-let north and south for Elk avenue, Chestnut and Maple streets.

Mr. and Mrs. W. E. Evans of 333 North Orange street are entertaining at dinner this evening Mr. and Mrs. Walker Moren and daughter Peggy of Yakima, Washington, Daniel Lesh of Yakima and Mrs. M. Ewell Smith of Los Angeles. Spring flowers in the pastel shades will be used for table decorations. Tomorrow Mr. and Mrs. W. E. Evans will have as their overnight guests Mr. and Mrs. H. P. Goodwin of Los Angeles.

Friends of Bob Wilcox, who resided in Glendale two years ago and was associated with the Astra Film company, will be pleased to know that he is again making his headquarters in this city at 329 West Windsor Road. Mr. Wilcox has been making a circuit of the southern California cities and presenting the Black and Tan orchestra and other forms of entertainment at dances. He is planning to give a dance in Pasadena next Wednesday.

WHEN

Widows never need to toil and when fortunes are never lost; When no one dies poor; When old age never brings dependence; When death obeys instead of commands; When orphans never lack the necessities; When success becomes the universal rule; When accidents are always solvent; When administrators never need ready money— Life insurance will not be necessary.

I am afraid that you and I will never live to see that day, so, for us, life insurance is prime necessity, and THERE IS NO SUBSTITUTE.

LINCOLN'S BIRTHDAY
February 12th

It is almost impossible to think of Lincoln without calling to mind one of his greatest possessions—Perseverance—a quality that enabled an uneducated country lad to overcome so many obstacles to finally become a president of these United States and to make his name and memory immortal. He aimed high and succeeded through perseverance.

Our aim when this business was founded was to give such good quality—such courteous service—such fair prices—that it would prove a pleasant, desirable and profitable place for the people of Glendale to trade. With such a goal always in mind and through continued perseverance, our business has shown a steady increase and our hundreds of pleased and satisfied customers are excellent evidence that a good aim constantly in mind, plus perseverance, has its reward.

ONLY PORTRAIT

**BROTHER OF GLENDALE MAN
PAINTS LINCOLN'S PICTURE;
WORK IS NOTED**

What is believed to be the only life portrait of Abraham Lincoln in existence was painted by Charles W. Nickum, deceased, a brother of George Nickum of 343 West Lomita avenue, Glendale. It was only a fancy that caused Mr. Nickum, more than fifty years ago, to paint the portrait of Abraham Lincoln. The latter, with a Cincinnati lawyer, entered a photograph gallery in Dayton, Ohio, where Mr. Nickum was employed, and posed for some pictures. Mr. Nickum did not know the identity of his distinguished visitor, but the homely face appealed to him in a striking manner and he sketched the outline of Lincoln's face on a piece of pasteboard.

Later the painting was finished in oil and stored away with other sketches by the young artist in the studio. Some time later Mr. Nickum met the Cincinnati lawyer on the street and the latter asked him if he had drawn a picture of the visitor to the studio. Mr. Nickum replied in the affirmative and the lawyer asked to see the picture.

Cherished by Owner
"That man," said the lawyer, "was Abraham Lincoln, now president of the United States."

The picture was found and since then had been cherished by its owner. It is such a good likeness of the martyred president that Mr. Nickum was offered a high price for it, but he refused to consider a sale. The portrait has been shown in the John Herron Art institute, and is strikingly similar to the famous painting of Lincoln that hangs in Cooper institute, New York. It is now in possession of his widow at Dayton.

W. ENTRIKIN IS STRICKEN

Wm. E. Entrikin, aged 19, son of Mr. and Mrs. E. A. Lange of 328 Vine, and brother of Mrs. D. E. Sanker, died this morning of tubercular pneumonia, after an illness of three weeks. Funeral services will be held Monday, 2 p. m., in the Little Church of the Flowers, Rev. C. M. Calaverwood officiating. Interment will be in Forest Lawn. The family came to Glendale from Cleveland, Ohio, about six months ago.

HOW'S THIS FOR NAME?

Kraftwagen-einstellraum — isn't that a nice word? No, it isn't the name of a disease, or a city in Russia but it's simply the German word for garage. Think of putting a nice, new self-respecting automobile in a place with a name like that!

NEW EQUIPMENT

**WALCOTT BEAUTY PARLOR HAS
PERMANENT WAVE MACHINE;
BUSINESS PROSPEROUS**

In line with expansion in all lines of business in Glendale Mrs. Laura Walcott of the Walcott Beauty Parlor, 136 South Brand boulevard, has added to the extensive equipment of her shop a large Nestle's Permanent Waving machine which just arrived from New York and was installed by electricians yesterday.

Mrs. Walcott, who was proprietor of a large beauty shop in an eastern city, came to California a few years ago to rest and opened a small shop on Broadway to "pass the time." Her patronage has grown so rapidly that she has installed seven booths in her new quarters on Brand and has capable assistants in charge of every department of Beauty Parlor work.

DIES AFTER OPERATION

Mr. and Mrs. W. H. Mitchell of 725 North Louise received sad news yesterday. The latter's son, Leon C. Gruver, aged 25, started from Chicago a few days ago to make a visit out here. He was taken seriously ill on the train, got off at Tulsa, Okla., went to a hospital for an operation and died from the effects of it. The remains have been shipped from Tulsa and will arrive in Glendale early next week. The Jewel City Undertaking company will take charge of them. Funeral arrangements will be announced later.

MACHINES FOR LINEBERGER

There will be plenty of machines for use of voters for Lineberger on election day, next Tuesday, February 15. Anyone wishing a machine should call Glendale 535 or 911-M. Let every Lineberger supporter make himself or herself a committee of one to see that every voter is gotten to the polls.

Colors That Run
Every housewife knows there are colors that will run unless they are washed and handled "just so." Our washing experts know it, too. When your family bundle comes to us everything is carefully sorted, silks here, woolens there, white goods in one lot, colored in another. All these are washed separately, each by an individual method which careful study and years of practice have shown to be the best. And if there are colors that run, the dye is set at the very beginning and your garments come back bright and fresh as when new. Everything that needs washing may be included in your family bundle. Just phone for one of our drivers to call.

Added 50% To Tire Mileage
A Boston tire dealer, for three years, has gathered data on Miller Tires. And he reports as follows:
Users find their tire mileage increased from 50 per cent to 75 per cent.
Blow-outs have been eliminated.
Uniform mileage has been accomplished.
Only six tires in 1,000 come back for adjustment—only five Miller Cords in a year.
A Louisville dealer compared wear and mileage on 116 styles of tires which he repaired. The constant Miller supremacy has caused him now to handle the Miller Tires only.
A California stage line made million-mile comparisons with 21 leading makes. And the Miller won by long odds.
You owe yourself a comparison on your own car. The Miller is the tire of the day.

ORDINANCE NO. 421

AN ORDINANCE OF THE CITY OF GLENDALE DECLARING THE INTENTION OF THE BOARD OF TRUSTEES OF SAID CITY TO CALL AN ELECTION IN THAT PART OF THE CITY OF GLENDALE CONTAINED WITHIN THE BOUNDARIES OF A PROPOSED MUNICIPAL IMPROVEMENT DISTRICT, TO BE KNOWN AS "MUNICIPAL IMPROVEMENT DISTRICT NO. 3 OF THE CITY OF GLENDALE," FOR THE PURPOSE OF SUBMITTING TO THE QUALIFIED ELECTORS OF SAID DISTRICT THE PROPOSITION OF AUTHORIZING THE ISSUANCE AND SALE OF BONDS OF SUCH DISTRICT.

Whereas, a petition was filed in the office of the City Clerk of the City of Glendale on the 20th day of January, 1921, requesting that proceedings be taken in pursuance of an Act of the Legislature of the State of California, entitled, "An Act to Provide for the Formation of Districts within Municipalities, for the Acquisition or Construction of Public Improvements, Works and Public Utilities therein; for the Issuance, Sale and Payment of Bonds of such District to meet the Cost of such Improvements, and for the Acquisition or Construction of such Improvements," approved April 20th, 1915, for the purpose of acquiring and constructing works for the collection and disposal of sewage from said district including the acquisition of lands, easements, and rights of way, and the construction of pipe lines, manholes, flush tanks, septic tanks, cesspools and other works and appurtenances necessary for such purpose, and,

Whereas, it appears and is hereby found that said petition is signed by not less than ten (10) per cent of the qualified electors residing in the territory which is proposed to be formed into the said Municipal Improvement District, and,

Whereas, the public interest and necessity require that proceedings be taken as requested in said petition;

Now Therefore, the Board of Trustees of the City of Glendale do ordain as follows:
SECTION 1. That it is the intention of the Board of Trustees of the City of Glendale to call an election in that certain proposed Municipal Improvement District having boundaries as hereinafter described, or as may be changed in the manner provided in the aforesaid Act, for the purpose of submitting to the qualified electors of said District the proposition of authorizing the issuance and sale of bonds of such district in the manner prescribed in said Act, approved April 20th, 1915, and amendments thereof, for the purpose of acquiring and constructing works for the collection and disposal of sewage from said district including the acquisition of lands, easements, and rights of way, and the construction of pipe lines, manholes, flush tanks, septic tanks, cesspools and other works and appurtenances necessary for such purpose.

SECTION 2. (Continued from Page 1) speaker and he told of the difficulties that had been encountered in providing additional grounds, in putting through the bond issue which made this building possible and then the efforts to embody in the plans every modern convenience. He said all felt repaid for their hard work when they beheld in this modern educational plant the fruit of their labors. Mark Keppel, county superintendent of schools, was the concluding speaker. He paid an eloquent tribute to Mrs. Ryan's worth as an educator and said that Broadway was fortunate in having as its principal a lady of such sterling worth and solid attainments. He then referred to the early struggles and later triumphs of Lincoln, whose birthday was so near and said his example should be impressed more and more on the youth of the land. The musical numbers were a song by Mrs. Cole, accompanied by Miss Gertrude Champlain; piano solo by Miss Phillips; a violin solo by Miss Hall, accompanied on the piano by Mrs. John Allen Legge; two whistling solos by Miss Eva Green.

DEALERS ACTIVE

NUMBER OF SALES ARE MADE
WITHIN LAST FEW DAYS
ALONG AUTO ROW

Several sales of new cars have been effected within the last week or ten days, some of them for spot cash, while the sales of used cars have been large.

Tanner & Hall have sold to F. S. May of North Louise street a Buick roadster, and to Harry George, a Chicago business man who is staying at the La Crescenta hotel, a Buick touring car. Both of these were cash transactions.

Fish & Tarr sold to J. H. Ross of Hermosa Beach a Chevrolet. Mr. Ross moved to the seaside resort from Glendale a few months ago, but he is now returning here to reside. Mrs. T. E. Richardson of Sunland also has a new Chevrolet, which she bought a few days ago from the same Glendale firm.

Get Another Carload

Packer & White are another busy automobile firm. They recently received another carload of Studebakers and at short intervals a string of these motor vehicles come tooting down Brand boulevard en route from the depot to the Packer & White salesrooms.

Within the last few days Thomas G. Widmeyer has disposed of three high-class used cars.

B. G. Sutherland is to deliver a new Gardner this afternoon to a local citizen. He has had several customers lately for used cars.

SUGGEST LICENSE NUMBERS

Every horse drawn vehicle in the United States and Canada will have to bear a license number similar to those required for autos if recommendations of the traffic officers' association, made at the annual meeting in Cleveland, are approved by the legislatures of the various states and provinces of the two countries. What is more, they also will have to have red tail lights.

THE UNIVERSAL CAR

Ford Ton Truck Cuts Delivery Cost

The Ford One-Ton Truck has cut "delivery costs" for thousands of business houses, farmers, factories, corporations, etc. Thousands of owners attest to its economy of operation and maintenance. They call the Ford a real "necessity" in their business. Ask us for a copy of the "Ford-A Business Utility." Read what pleased owners say. It will cost you nothing.

Built of tough Ford Steel with the ever-dependable Ford motor transmitting power to the aluminum-bronze worm-drive, with demountable rims and pneumatic tires, front and rear, together with the mechanical simplicity, have helped to give the Ford Ton Truck the lowest possible operating and maintenance cost. It is the lowest priced one-ton motor truck on the market. Add to these practical merits our after-service organization, which insures every truck owner of genuine Ford parts and skilled Ford mechanics, so that the Ford Truck need never be out of service.

PARIS IS DEADLIEST OF ALL
Paris has the reputation of being the most dangerous city in the world for traffic deadliness. Of the 50,000 persons struck by taxicabs, autobuses

and other automobile during the last year, many died as a result of their injuries. A large proportion were women and children and aged persons.

FOR CLOSED CAR

TENDENCY TOWARD SEDAN AND COUPE IS MARKED, SAYS FORD BRANCH HEAD

"Every mile of good road that is built and every mile that is added to the speed limit makes the coming of the day when the closed car will be the most popular type just so much nearer. I do not hesitate to predict that the future will see more enclosed cars turned out from the factories than open cars. Certainly it is the logical conclusion to be expected in the evolution of the motor car a year or two hence."

This is the prediction of E. L. Graves, Los Angeles branch manager of the Ford Motor company, and he has strong arguments to back up his statements.

"The first automobiles, as all of us will remember, were run minus windshields," went on Mr. Graves. "That was chiefly because the cars were not speedy enough to make the windshield a vital necessity. Even at the top speed of eighteen miles per hour and down hill perhaps twenty, a windshield was not particularly essential to comfort.

Protection Necessary

"As the speed of cars increased, however, the protection afforded by the windshield became necessary. You can remember the next step toward the enclosed car, which was a huge sheet of glass with rods to anchor it fast to the front of the frame. Naturally, a little wavering of the frame would crack the windshields, so strong straps were used in place of the rods. Then, eventually, both straps and rods were discarded.

"Now in these days of endless miles of smooth boulevards and with a far higher speed average, the question of protection from the rush of wind has become of far more importance than ever before. You only have to look at the cars on the street to become convinced of that. Tonneau windshields, windshield deflectors, permanent tops for open cars with sliding glass windows and all sorts of devices for protection are evident on more than half of the cars you see.

"A closed car is a good deal more

satisfactory from my point of view than any of these compromises. The closed car will give you either absolute protection from the weather or any degree of ventilation that you may wish.

There is a difference in the way the Liberty Six Rides and Drives

The Liberty Six

People recognize the attractiveness of the Liberty, instantly. The comments you hear everywhere on its graceful lines and style, universally take the tone of friendly praise.

Yet the most casual investigation will satisfy you that people are even more conscious of the wonderful quality of its riding and driving than its tasteful appearance.

It is a fact that the Liberty does drive and ride differently, and better.

Because those things having to do with the character of its riding, and particularly with the quality of its driving, have been the objects of particular care by Liberty builders.

There is no mistaking the difference.

You feel it at once and you know at once, also, that the quality of the car must be of a very high order.

SQUEAKING BRAKES

Chronic squeaking in the braking system is generally due to dirt that has been embedded in the lining and is pressed against the drum when the brakes are operated. Usually this dirt may be washed out with kerosene, but if it is so firmly entrenched that it refuses to come out with this treatment a little rosin mixed with castor oil and applied to the bands will cure the trouble.

Among the features to be seen in the new motor truck models, there are additional speed changes, four, five or six; heavier rear-end construction, coupling devices for trailers and increased braking surfaces.

Studebaker Light Six Smashes San Francisco-Los Angeles Records That Have Stood for Years

Just back from bucking its way into the Yosemite, the Studebaker Light Six in a demonstration run carrying U. S. mail shattered two Los Angeles-San Francisco records that have stood for years. Here are the facts:

Left San Francisco 8:02 P. M., arrived Los Angeles 6:14 A. M.

Left Los Angeles 6:50 A. M., arrived Oakland Pier 4:30 P. M., San Francisco 5:25 P. M.

Here Are the Records

New Coast record 10 hrs. 12 min. Elapsed time.

New round-trip record 20 hrs. 28 min. Elapsed time.

The outstanding feature of the whole performance is not the speed attained, for the Studebaker Light Six is not an excessively fast car, but the consistency with which it held 55 miles per hour and its remarkable road ability.
